ADULT DEVOTION *celebration*

We all get a lot of emails, texts, social media notifications and other platforms with a constant input of information. So, if you've taken the time to read this devotional you must be curious. RU! has sent fun packages to your child this year – but for what? A 'pick-me-up' during a hard year? Well – yes but there is more.

Actually, all those packages have highlighted one statement that we know to be absolutely true and dependable. **God loves me no matter what.** That statement isn't just for your kids, you know. He loves you right in the middle of this day no matter what you're doing or not doing.

This unconditional love is a gift God gave us a long time ago. He sent His Son, Jesus, to die on the cross for all our wrongdoings that keep us separated from Him. Then 3 days later God raised Him from the dead to live again. He lives in Heaven – longing for us to accept this gift. He's not forcing it on us. We have to decide to receive it – to believe in His Son and what He did for us. That gift of love – when opened – brings life forever! THAT is something to celebrate!

We'd love to talk with you more if you have questions. We hope your summer is full of time together, but more importantly the assurance that you are loved by God.

Prayer Time:

Father,

Thank you for a great year learning about who You are and how You love us no matter what. Please help me to continue to walk in that truth and teach it to my children. AMEN.
